Drug-Free Workplace Policy Summary

In a commitment to safeguard the health of our employees and to provide a safe working environment, we have established a DrugFree Workplace Policy for our company. This policy is set up pursuant to the Drug-Free Workplace program requirements under applicable state laws and regulations and Department of Transportation Rule 49 CFR part 40, Procedures for Transportation Workplace Drug Testing. The contents of these drug and alcohol guidelines are presented as statements of the company's current policy and may be changed and updated by the company as required. These guidelines are not intended to create a contract between the company and any employee. Nothing in these guidelines binds the company to a specific or definite period of employment or to any specific policies, procedures, actions, rules, terms or conditions of employment. Details of this policy may be obtained from management.

Essential Parts of the Policy:

- Observance of this policy is a condition of continued employment.
- This policy prohibits the sale, possession, use, manufacturing, or distribution of drugs, drug paraphernalia or alcohol while working for or on company assigned or owned property, or while operating any vehicle, machinery, or equipment owned or leased by the company.
- It is a violation of this policy to report to work if drugs or alcohol is found to be present in your system at or above the level prescribed by application drug testing rules.
- It is a violation of this policy to report to work, return to work, or to remain at work with the odor of alcohol on your breath, regardless of whether or not you are actually intoxicated.

Testing of Employees:

- Employees may be tested when there is reasonable suspicion that the employee is using or has used drugs while performing their assigned duties.
- Employees may be required as a condition of continued employment to be drug tested if the test is conducted as part of a routine or annual fitness-for-duty medical examination.
- Employees who cause or contribute to an accident may be required to submit to a drug test. Employees, while at work, who sustain injuries requiring medical treatment beyond first aid may be drug tested.
- Employees who have been determined to have used drugs or alcohol, and are retained by the company will be subject to unannounced follow-up drug tests at least once per year for a period of up to 2 years.
- Additional testing, including random testing may also be conducted as required by applicable state or federal laws, rules or regulations or as deemed necessary by the company.

Disciplinary Action:

- The company may suspend employees without pay under this policy pending the results of a drug test or investigation.
- In the case of a first-time violation of this policy, when an employee has a positive drug or alcohol test result, (without evidence of use, sale possession, distribution, dispensation, or purchase of drugs or alcohol on company property or while on duty), the employee will be sublet to discipline up to and including discharge.
- Any employee who has a second violation of any party of this policy will be discharged.
- Any employee using, selling, purchasing, distributing, or dispensing drugs or alcohol while on duty or while on company property will be discharged.
- An employee who refuses to submit to drug screening may be denied continued employment.
- An employee who refuses to cooperate with a drug screening post accident will be subject to discipline up to and including discharge.
- An employee injured in a workplace accident who has a confirmed, positive rest result maybe be denied eligibility for medical and indemnity benefits as provided by applicable workers' compensation laws.
- An employee who is discharged from duty on the basis of a confirmed positive test will have their claim for unemployment compensation benefits opposed and possibly denied.

New Employee Certification

Employee Rights and Responsibilities:

- Each employee will be given an opportunity, both before and after drug use screening, to confidentially report to the assigned Medical Review Officer the use of prescription and/or non-prescription medication that may alter or affect the results of a test.
- Employees have the right, upon written request, to receive a copy of the drug test result.
- Employees have the right to consult the Medical Review Officer (MRO) for technical information regarding prescription and non-prescription medication. Addresses of MRO's may be obtained from management.
- An employee who is using prescription and/or non-prescription medication which may impair the employee's ability to work safely must report this medication use to their supervisor or management before starting any work related activity. This notification will be kept strictly confidential, but failure to notify your supervisor or management may result in disciplinary action.
- All information, interviews, reports, statement memoranda and drug test results, written or otherwise, received by the company as a part of this drug testing program are confidential communications. Unless authorized by state or federal laws, rules or regulations, the company will not release such information without a written consent form signed voluntarily by the person tested.
- Any employee who receives a confirmed positive drug test result has the right to challenge the result.
- An employee who elects to challenge the results of a confirmed positive test result may have the original specimen retested by another qualified laboratory. All re-testing will be at the employee's expense.
- The employee has the responsibility of notifying the drug testing laboratory of any administrative or civil action brought concerning the drug test results. The lab will maintain a sample until the case of administrative appeal is settled.
- An Employee Assistant Plan/Substance Abuse Program list is available and will be provided upon request.
- The company will provide employees with a period of training regarding substance abuse and this Drug-Free Workplace Policy.

Acknowledgment Signature:

I hereby acknowledge that I have received and read a summary of the company's Drug-Free Workplace Policy. I have had an opportunity to have this material fully explained.

I understand that this substance abuse testing program is established as a safety requirement in accordance with applicable state regulations. The program involves routine testing of urine, hair, blood, or other authorized samples to determine the presence of illegal drugs. These tests may be conducted at anytime by the company or its agent(s) to determine that the employees meet the necessary qualifications for employment and continued employment. I also understand that the Drug-Free Workplace policy and related documents are not intended to constitute a contract between the company and myself.

My signature below indicates that I have read, understood, authorize and consent to the above statement and any attached addendum and hereby voluntarily participate in the substance abuse testing program.

New Employee Certification

Purpose:

We are committed to maintaining a work environment free of harassment on the basis of race, creed, religion, gender, sex, national origin, age, marital status, sexual preference, or disability. We will not tolerate harassment of personnel by a supervisor, co-worker, vendor, customer or anyone else. Workplace and sexual harassment may violate one or more of the following:

- Title IV of the Civil Rights Act of 1964
- Age Discrimination Employment Act
- Americans with Disabilities Act (ADA)

Any employee who engages in sexual or other unlawful harassment violates this policy and the law and will be disciplined up to and including immediate termination.

Guidelines:

Harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of their race, color, creed, religion, gender, national origin, age, marital status or disability when it:

- 1. has the purpose or effect of creating an intimidating, hostile, or offensive working environment
- 2. has the purpose or effect of unreasonably interfering with an individual's work performance; or
- 3. otherwise adversely affects an individual's employment opportunities.

Examples of inappropriate and prohibited harassment include, but are not limited to the following:

- 1. epithets, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to race, color, religion, gender, national origin, age, marital status, sexual preference, or disability; and,
- 2. written or graphic material that denigrates or shows hostility toward an individual or group because of race, color, religion, gender, national origin, age, marital status, sexual preference, or disability and that is placed on walls, bulletin boards, or elsewhere on the company's premises or circulated in the work place. This also includes acts that purport to, or are meant to be "jokes," or "pranks" but that are hostile or demeaning, such as hate mail, threats, defaced photographs, or other such conduct.

Sexual advances, request for sexual favors and any other physical, verbal, or visual conduct of sexual nature constitute sexual harassment when:

- 1. Submission to the conduct is an explicit or implicit term or condition of employment or continued employment;
- 2. Submission or rejection of the conduct is used as a basis for employment decisions affecting an employee, such as a promotion, demotion or evaluation;
- 3. The conduct has purpose or effect of reasonably interfering work performance or creating an intimidating, hostile or offensive work environment.

Sexual harassment may include, but is not limited to, unwelcome sexual propositions; sexual innuendo, suggestive remarks; vulgar or sexually explicit comments gestures or conduct; sexual oriented kidding, teasing or practical jokes; and physical contact, such as brushing against another's body, pinching or patting. Sexual and workplace harassment may be present when the intended target of conduct is not offended, but others reasonably find the conduct intimidating, hostile or abusive.

Safety Guidelines

These Safety Guidelines are provided for your information and education. They are intended to provide you with basic safety information that will assist you in avoiding injury while performing your daily activities.

GENERAL SAFETY GUIDELINES

- 1. It is important that all employees report all work related injuries to their immediate supervisor as soon as possible after they become aware of the injury.
- 2. Everyone should exercise extreme care and consideration in the performance of their duties to see they do not cause injury to others or create work hazards that could cause injury to others.
- 3. No one should try to lift or move heavy/bulky objects that could cause injury to the back or other body parts. You are requested to seek assistance.
- 4. Personal tools, equipment, extension cords, chemicals or electrical heaters should not be brought to work without management authorization.
- 5. When you become aware of a facility or equipment defect, report it to the facilities manager for proper corrective action. Failure to report faulty conditions may result in injuries.
- 6. Never attempt to repair electrical equipment or appliances while in service. Tag them out of service and notify proper authority to affect repair.
- 7. Cabinets can be very dangerous if used improperly. Opening two drawers simultaneously can cause a cabinet to crash to the floor. Whenever possible, cabinets should be bolted together in tandem, secure to the floor or wall.
- 8. Flammable liquids should always be stored in appropriate, closed containers. Large supplies should be stored in UL Approved cabinets or other appropriate means described by the Fire Department. Flammable liquids should never be left unattended.
- 9. Heavy objects should be stored on lower shelves while lighter and less dangerous items can be stored on middle and upper shelves.
- 10. Bookshelves, storage cabinets and other elevated storage areas should be well secured.
- 11. Defective furniture, worn carpet, defective chairs, loose handrails or other facility defects which could contribute to an accident should be reported to building services for proper corrective action.
- 12. Everyone should take time to be educated regarding emergency procedures.

PROPER LIFTING TECHNIQUES

- 1. Your back and neck have natural curves that should be kept flexible. Good posture maintains those curves and reduces stress on your muscles, ligaments and the shock-absorbing discs between the bones in your spine.
- 2. Lift mentally first, planning your route and the place you will put down the load. When the load is heavy or bulky, get help. Ask a co-worker or use equipment to ease the task (e.g., mechanical left, hand truck, cart. etc.).
- 3. Establish good footing as you approach the object you intend to lift. Bend your knees, not your back and get a good grip. Plan to hold the object close to your body. Tighten your stomach as you Lift. Lift smoothly with your legs, not your back.
- 4. Stand straight as you move the object. Don't twist your body while lifting; rather, turn your feet. Keep your balance. If you have a problem, ask for help. Be sure of your footing and pathway.

I HAVE THOROUGHLY READ AND UNDERSTAND THE SAFETY GUIDELINES. I WILL ALWAYS MAINTAIN SAFE WORK PRACTICES AS OUTLINED ABOVE AND WILL IMMEDIATELY REPORT ANY INFARCTION TO MY SUPERVISOR.

Form W-4 (2024)

General Instructions

Section references are to the Internal Revenue Code.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 and you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Expect to work only part of the year;
- Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
- 3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Page 2

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2024)

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2 a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
